The subject of the first lecture will be "Armenians and Armenians, Their Relation to the World." When they became a Nation, When they became Christians, Their Struggle for Education, Culture, &c. The second lecture will be on their Social Customs, The Boys and Girls, School Teachers, How Punished, How the Armenians Look upon their Wives and Beat Them, How the Turkish Woman Spins her wool. He will show spinning wheel; dress in man's and woman's costumes and will sing some love songs, &c., &c. These lectures are free, but a collection will be taken up for Mr. Garabed's benefit. He is a theological student pursuing his studies at New Brunswick, N. J., and as soon as he graduates he expects to return to Armenia as a missionary.

THE OPERA HOUSE.—The eminent Irish comedian J. S. Murphy, supported by a carefully selected company of unusual excellence, will appear at the Opera House to-night in the beautiful Irish drama "Shaun Rhué." The San Francisco Alta says: "Mr. Murphy is a pleasing comedian. His efforts are not strained, and his success is in the naturalness of his acting. He is constantly inducing in some by play that causes the audience to forget the actor and gaze upon the original. There are many strong situations which add much to the success of the piece, and there is not an inferior actor in the company, but every member of the troupe is an artist and a favorite with the audience."

The bright Irish comedy drama entitled "The Black Thorn" will be presented at the Opera House on Wednesday night next, in which the famous actor, Mr. Joseph G. Sullivan, will appear.

THE WEATHER AND THE RIVER.—Last night was the coldest night of the season, the mercury dropping to 7°, and the cold was intensified by a piercing wind from the northwest. To-day the sun shone brightly and the temperature rose a few degrees, but the weather was cold enough for a Lapslander. The river remains solidly frozen except between this city and Shepherd's, where a tract is, with difficulty, kept open by the transfer tug and barge. All talk of steamers leaving here for the lower river has been abandoned, and it is feared that navigation will remain closed for a long time. Last night the cold weather added materially to the thickness of the ice in the river and it now measures from four to eight inches.

PERSONAL.—Misses Eliza Marshall and Mary Newton have gone to Stafford county on a visit to friends.

Mr. Edward A. Greene, chief engineer of the Zanesville and Terre Haute Railroad, is in the city on a visit to his mother, Mrs. W. S. Greene, on Fairfax street.

Mr. W. H. P. Berkley has returned from Providence, R. I., where she has been visiting friends.

The condition of Mr. Geo. V. Worthington, who, as was stated in yesterday's GAZETTE, had suffered a stroke of paralysis at his home on Seminary Hill, remains very critical and his physicians have abandoned all hope for his recovery.

DEATHS.—Mr. Martin J. Power died at his home on North Washington street about noon to-day, after a long illness. He was a brother of Messrs. V. W. and F. J. Power and for some time past had been the delivery clerk in the city postoffice. He was about 45 years old.

Miss Mary A. Graham, an old and highly respected lady of this city, died last night at the residence of her brother-in-law, Mr. J. W. Padgett. She was 72 years old.

NO INQUEST HELD.—The body of Fred Schult, which, as stated in yesterday's GAZETTE, was found near his home in the evening and taken to Mr. Wheatley's undertaking establishment. This evening the remains were placed in a vault for future burial. No inquest was held, as it is known he suffered from heart disease, and it was apparent that death resulted from that cause.

POLICE REPORT.—Last night was clear and cold with one prisoner and eight lodgers at the station house.

The only case before the Mayor for trial this morning was that of Wm. Coleman, colored, arrested by officer Taylor yesterday for an assault on Ida Coleman. He was fined \$2.

SURE.—Mr. G. T. Rison, of Pittsylvania county, has brought suit for \$10,000 damages against the Midland railway for Mr. H. T. Cressy, one of the victims of the Banister river trestle wreck, and has also brought suit for \$10,000 damages against the Midland railway for Capt. J. C. Mattox, for timber destroyed by fire.

FOR THE RELIEF and cure of the inflammation and congestion called a "cold in the head" there is more potency in Ely's Cream Balm than in anything else; it is possible to prevent a brilliant preparation has for years past been making a brilliant success as a remedy for cold in the head, catarrh and hay fever. Used in the initial stages of these complaints Cream Balm prevents any serious development of these symptoms, while almost numberless cases are on record of radical cures of chronic catarrh and hay fever after all other modes of treatment have proved of no avail.

LOCAL BREVITIES.

The hop given at McBurney's Hall by a number of young gentlemen of this city last night, was an enjoyable affair and was well attended.

The remains of the late Henry L. Stuart, whose death, in Richmond, was mentioned in the GAZETTE, were brought here last night and taken to the residence of Albert Stuart, esq., whence they will be hurried to-morrow at 1 o'clock.

The moon this evening will rise eclipsed, the period of totality being reached about 6 o'clock. The total eclipse will last for about an hour and a half, when the moon will again appear upon the opposite side of the shadow from that on which she disappeared.

While Mr. and Mrs. Henry Green were seining on upper King street to-day their horses became unmanageable, ran off and threw Mr. and Mrs. G. out in the street, but fortunately did not injure them. The horses kept on and was not stopped till they had badly damaged the sleigh and scratched themselves.

In the House of Delegates on Thursday the Mt. Vernon Avenue charter was amended by adding the words "by subscription" to the section providing that this city may assist in the construction of the avenue to the extent of \$25,000.

At a meeting of the Friendship Fire Company, held last night, resolutions of respect to the memory of the late Jas. W. Salls, a former member of the company, were adopted.

The report this morning that several boys had been arrested for bathing in the river was found to be incorrect.

Mr. Stephen Kellam, postmaster at Herndon, Fairfax county, for a number of years, died yesterday.

Three colored men were arrested in Washington yesterday charged with grave robbery.

MONETARY AND COMMERCIAL.

New York, Jan. 28.—The opening of the stock market was irregular this morning, first prices varying ½ per cent. each way from last evening's closing figures, while many stocks were unchanged. The market was firm to strong in the early trading, however, and small fractional advances were made throughout the stocks traded in. After the first half hour business became very dull and the advance was checked, though the tone of the dealings remained firm. At eleven o'clock the market was quiet but firm at about the best prices reached. Money easy at 3.

New York, Jan. 28.—The weekly bank statement shows the following changes: Reserves, increase, \$2,344,350; Loans, increase, 1,300,200; Specie, increase, 3,198,700; Legal tenders, decrease, 54,500; Deposits, increase, 3,199,400; Circulation, decrease, 21,700. The banks now hold in excess of the 25 per cent. rule, \$2,258,845.

Baltimore, Jan. 28.—Virginia 6s consolidated with coupon 44; past-due coupons 65; new 3s 65½; 10-40s 36½.

ALEXANDRIA MARKET, JANUARY 28.—There is a steady demand for flour, and the market is firm with wheat. Wheat is strong, and outside prices are easily made for strictly prime milling samples; the offerings are exceedingly small, and sales range from 80 to 92 for ordinary to fair, 92 to 94 for good, and 94 to 98 for choice mixed and longberry lots that are sound, sweet and free of garlic. Corn fairly active at 58 to 60 for good to best grades. Eggs, Butter and Poultry are, owing to continued hard weather, in better demand at an advance. Hay and Mill Feed are in very light receipt and higher.

BALTIMORE, Jan. 28.—Cotton nominally steady and quiet; middling 10½. Flour steady and quiet. Wheat—Southern higher and quiet; red 96-99; amber 98-101. Western higher and more active; No. 2 winter red spot 85½; big Jan 92½; asked; Feb 85½; Mar 89½; Apr 90½; May 92½; June 94½. Corn—Southern higher and firm; yellow 60-61; white 59-60½; Western higher; mixed 59½; asked; Jan 59½; Feb 59½; Mar 59½; Apr 60½; May 60½; June 61½. Oats firm and quiet; Southern and Penna 37-42; Western white 42-44; do mixed 39-41. Rye firm at 68. Provisions steady and quiet. Coffee nominal; Rio carcases ordinary to fair 16½-17¼. Whiskey steady at \$11.50-12.00. Other articles unchanged.

NEW YORK, Jan. 28.—Cotton dull and steady; uplands 10-11½; Orleans 10-13½. Futures opened steady but closed easy. Flour quiet and easy. Wheat lower. Corn dull and easier. Pork firm at \$15.00-15.25. Lard easier at \$7.92½.

CHICAGO, Jan. 28, 11 a. m.—At this hour the May option is quoted as follows: Wheat 82½; Corn 53½-54½; Oats 33½; Pork \$14.57½; Lard \$7.50; short ribs \$7.74.
